CPSMA thanks Boards of Management for the valuable role they play in the provision of quality education to pupils in Catholic schools. Our services to assist you in that work have been greatly expanded. See accompanying downloadable list of services.

CPSMA relies on membership fees from Boards of Management to defray the costs involved in providing these services. The scale of fees for the 2009/2010 school year is set out below. The Department of Education and Skills has confirmed that, where a Board of Management decides to make a payment to CPSMA, it is legitimate to do so from the capitation grant.

School Size	Annual Membership Fee
100 pupils or fewer	€325
101-250 pupils	€475
251 – 400 pupils	€675
401 pupils or more	€875

It would be much appreciated if payment by cheque could be made by **Friday 30th May 2010**. Payment will be acknowledged and a receipt will be issued for your records on completion and return of the membership form in the envelope provided.

In the event that a Board of Management has already made a contribution to CPSMA this school year, the payment should be amended accordingly.

In future years the annual membership fee will be collected centrally by CPSMA normally in February. Alternate methods of payment will be made available to Boards of Management for future years e.g. standing order, direct debit etc.

CPSMA is continuously developing the range of supports and would greatly appreciate feedback regarding current services or suggestions for others that Boards of Management might find beneficial.
