

TO BOARDS OF MANAGEMENT, PRINCIPAL TEACHERS
AND TEACHING STAFF IN PRIMARY SCHOOLS

**Panel access for fixed-term/temporary (this includes substitute)
and part-time teachers to the Supplementary Redeployment
Panel for the 2015/16 school year**

Part 1

1. Introduction

The purpose of this circular is to set out the arrangements for access to the supplementary redeployment panels for the 2015/16 school year for eligible registered primary teachers in fixed-term/temporary positions (this includes substitute positions) and part-time positions in recognised primary schools.

2. Structure of the Panels

- (i) Each main redeployment panel is created for surplus permanent/CID holding teachers in order to ensure that permanent vacancies (and fixed term vacancies where required) are offered in the first instance to these teachers.
- (ii) The Supplementary Panel is created for eligible primary teachers in fixed-term/temporary positions (this includes substitute positions) and in part-time positions who meet the relevant eligibility criteria outlined in Part 2 of this circular.
- (iii) The Supplementary Panel, set up in accordance with the arrangements set out in this circular, will be used for appointments to full-time **permanent** teaching posts in primary schools but only where those posts are not otherwise required to facilitate the redeployment of surplus permanent and CID holding teachers. The relevant details are set out in [FAQ format on the Department's website](#).
- (iv) The Supplementary Panel is not used to fill fixed term positions in schools.

3. Improvements to the process for filling a permanent vacancy from the Supplementary Redeployment Panel

Following consultation with the Education Partners on the operation of the Supplementary Panel in the current school year, the Department undertook to take the following actions to enable further improvements to occur for the 2015/16 school year.

In addition to the current arrangements, schools now have the **option of using a website**, i.e. educationposts.ie or staffroom.ie, as a means of engaging with the Supplementary Redeployment Panel. This can be done by the school using the website as the means to invite teachers on the relevant Supplementary Panel to express an interest in a permanent post. Key requirements are:

- Teachers are given a period of 5 calendar days to express an interest in the post.
- A school must select a teacher from the cohort of teachers that express an interest in the post. However, the school has the option of supplementing the list of teachers who express an interest in the post with other teacher(s) that are remaining on the Supplementary Panel (who had not responded with an expression of interest in the post).
- If no teachers on the relevant Supplementary Panel express an interest in the post, the school is required to extend the period of time for seeking expressions of interest by an additional 2 calendar days. If at that stage there are still no teachers who have expressed interest in the post, the school can proceed to fill its permanent vacancy in the normal manner via the standard public advertisement.
- In such a scenario, the school is required to state explicitly in the public advertisement the date that expressions of interest were sought, the date it was extended and confirmation that the school is now proceeding to fill the vacancy through open recruitment.
- A teacher on the Supplementary Panel who does not express an interest in a post remains on the Supplementary Panel. A teacher who does express an interest in a post and is unsuccessful in securing the post remains on the Supplementary Panel. A teacher who is called to interview from the Supplementary Panel but is unsuccessful in securing the post remains on the Supplementary Panel.

4. Phasing Out of Supplementary Special National Panel

Since the end of the 2012/13 school year, the Supplementary **Special** National Panel is being phased out and no new applications are being accepted. This decision by the Department of Education and Skills reflects the wider availability of primary teachers who are qualified to work in all settings (which was not the case when this panel was originally set up). Access to the Supplementary Special National Panel for the 2015/16 school year will be confined to those teachers who were on the Supplementary Special National Panel in the 2014/15 school year and who did not secure a permanent teaching post. The Department will contact these teachers directly by email in due course.

This Supplementary Special National Panel will be used only for filling permanent teaching posts in special schools that are not otherwise required for the redeployment of surplus permanent/CID holding teachers.

The Main Special National Panel for surplus permanent/CID holding teachers will continue to operate in the normal manner in respect of relevant posts in all schools.

5. Application process for access to panels

- (i) Eligible fixed-term/temporary teachers (this includes substitute teachers) and part-time teachers who wish to apply for access to the Supplementary Panel must complete the application form in **Appendix A**.
- (ii) The process introduced on a pilot basis for the 2014/15 school year whereby teachers being placed on the Main and Supplementary Redeployment Panels were given an opportunity to indicate (by tick box on the application form) if they had a particular interest in being redeployed to a school that operates through the medium of Irish will be continued for the 2015/16 school year. The arrangement is being expanded to also facilitate a teacher indicating no particular interest in being redeployed to a school that operates through the medium of Irish.
- (iii) In completing this form, teachers are required to self-declare on their application that they meet the relevant eligibility requirements set out at Part 2 of this circular. Application forms from teachers **must** be fully completed and legible. Applicants who do not provide the required information **will not** have their applications processed nor be considered for inclusion on the panels.
- (iv) Please note that eligibility for the 2015/16 Supplementary Panel is confined to those teachers that have met in full all outstanding conditions/satisfied all shortfalls in respect of registration with the Teaching Council, i.e. are fully probated, at **12 December 2014**.
- (v) If, during the course of the 2014 calendar year, an applicant worked in schools situated in more than one panel area (e.g. schools in two different dioceses), the application for inclusion on a panel must relate to the panel area where the majority of the service in the 2014 calendar year was given **or** the panel area in which you are currently teaching providing that you are contracted (as a minimum) to teach in this panel area from 12 December 2014 to the end of the 2014/15 school year.

The base school for panel purposes is the school within that panel area where the majority of teaching service was given in the 2014 calendar year **or** the school in which you are contracted (as a minimum) to teach from 12 December 2014 to the end of the 2014/15 school year.

- (vi) To simplify the application process, the Department will use existing Payroll and other relevant information held centrally in the Department to check eligibility conditions.
- (vii) Applicants are advised to ensure that any outstanding pay arrears and/or salary scale issues which will result in satisfying the eligibility criteria outlined in Part 2 of this

circular, are resolved with the Department's Primary Payroll Section before **Friday 12 December 2014**.

Primary Payroll Section can be contacted by emailing primtch_payroll@education.gov.ie. The onus is on the teacher to have any payroll matter resolved before this closing date as under no circumstances will the Primary Teacher Allocations Section accept Supplementary Panel application forms after this date.

- (viii) All teachers applying for access to redeployment panels must include their contact e-mail address in a clear and legible format so as to facilitate the efficient operation of the panels. This e-mail address will be used by a primary school as the main point of contact with a teacher.
- (ix) Completed forms must be received in the Department on or before **Friday 12 December 2014** at the following address:

Primary Teacher Allocations Section
Department of Education and Skills
Cornamaddy
Athlone
Co. Westmeath

It is important to note that under no circumstances will late applications be considered for inclusion on these panels. Proof of postage should be retained by the teacher.

- (x) It is the Department's intention to notify applicants of the outcome of their application by 31 March 2015 or as soon as possible thereafter.

6. Procedures once placed on the panel

- (i) Checks will be carried out at appointment stage in respect of those teachers that are being appointed to permanent posts from these panels. Schools and teachers should therefore note that this checking process may invalidate a proposed appointment.
- (ii) Teachers placed on the Supplementary Panel who secure a teaching position for the 2015/16 school year (either permanent or fixed-term) must inform the panel operator immediately by email and will be removed from the Supplementary Panel.
- (iii) Teachers placed on the Supplementary Panel who decide to leave the panel for any reason must inform the panel operator immediately by email. Teachers should note that they cannot subsequently be reinstated onto the Supplementary Panel.

7. Notification of circular to staff in your school

Please bring the contents of this circular to the attention of any relevant staff in your school.

8. Review

The operation of these arrangements will be reviewed with the relevant education stakeholders in late 2015 to determine what adjustment, if any, is required for subsequent school years.

9. Queries

The main focus of the Department's Teacher Allocations Section is on the teacher allocation process and the preparation of the main redeployment panels for permanent and CID holding teachers.

It therefore has very limited capacity to deal with individual queries in relation to this circular.

Such queries will, as appropriate, be dealt with by e-mail only at the following e-mail address: supplementarypanel15@education.gov.ie

Please note that under no circumstances will the closing date of Friday 12 December 2014 be extended.

If the Teaching Council details do not state the date of probation, applicants must submit a copy of their Certificate of Probation received from the Inspectorate.

2. Salary Requirements

There are two salary scales under which a teacher may be eligible, i.e.

1. Teachers whose first teaching appointment in a school was prior to 1 January 2011
2. Teachers whose first teaching appointment in a school was after 1 January 2011

1. **Teachers whose first teaching appointment in a school was prior to 1 January 2011 must satisfy (i) below and either (ii) or (iii) below**

- (i) have been paid a gross salary of at least €29,000 (including allowances) in the 2014 calendar year

and

- (ii) on or before 31 December 2014 be on the 5th or higher point of the relevant teachers' salary scale (or the 6th or higher point for teachers who commenced employment on the 3rd point of the salary scale)

or

- (iii) on or before 31 December 2014 be on the 4th point of the relevant teachers' salary scale (or the 5th point for those that commenced employment on the 3rd point of the salary scale) and on **or before 12 December 2014** be contracted to teach **for the remainder of the 2014/15 school year**

2. **Teachers whose first teaching appointment in a school was after 1 January 2011 must satisfy (i) below and either (ii) or (iii) below**

In summary, all applicants must meet the salary criteria listed below on or before 31 December 2014:

Date of your first appointment	STARTING SCALE POINT	Minimum scale point to be on by 31/12/2014 without need for a contract	If you are on the scale points below by 31/12/2014 you must have a contract from at least 12 December to the end of the 2014/15 school year	Minimum gross Salary (including allowances) earned in 2014 calendar year
Teachers whose 1 st teaching appointment was prior to 1 January 2011	2	5	4	€29,000
	3	6	5	€29,000
Teachers whose 1 st teaching appointment was after 1 January 2011	1	4	3	€26,100

3. Haddington Road Agreement

Please note that a teacher will be regarded as eligible for access to the Supplementary Panel if the only reason for not meeting the scale point criteria is due to the three month increment freeze under the Haddington Road Agreement.

4. Service not reckonable for Supplementary Panels

Applicants **must** declare on the application form at Appendix A whether permanent service and/or incremental credit as set out in the table below has impacted on their current salary scale point.

Reckonable service which is allowable for the purpose of Supplementary Panel access is service as a fully qualified teacher in a post paid for by the Department of Education & Skills **excluding** service types set out in the table below:

Previous permanent service *
Previous service as a post primary teacher
Incremental credit
Unqualified service

* The permanent service is not counted for meeting the eligibility criteria for Supplementary Panel access. In order for you to be considered to meet the scale point eligibility criterion, you must have earned three increments since the date of resignation from the permanent post. Alternatively you must have earned two increments since the date of resignation from the permanent post and if you are now in your third year (since resignation from the permanent post) you must be contracted to teach to the end of the 2014/15 school year.

5. Part-time teachers

Part-time teachers who wish to be considered for access to the panel are required to meet the same eligibility criteria as set out above in Point 2 above. However, the salary earnings threshold for 2014 (€29,000 or €26,100 as appropriate) will be adjusted on a pro-rata basis in respect of such part-time teachers. This will be done by the Department on a case by case basis in respect of each application that is received from part-time teachers who otherwise meet all of the eligibility requirements.

6. Teachers who took unpaid maternity/adoptive leave in 2014

The salary earnings thresholds will also be adjusted on a case by case basis in respect of teachers that were on unpaid maternity/adoptive leave while employed in recognised primary schools during 2014.

7. Salary Scale Points

Teachers should know their incremental salary scale point or be able to calculate it from a current payslip. The primary teacher incremental salary scale points are available on the Department's website <http://www.education.ie/en/Education-Staff/Information/Payroll-Financial-Information/Salary-Scales/>
