Part 2

Criterion C – Projected Enrolment based on Additional Enrolments after 30th September 2022

(For October 2022 Appeals Board Meeting Only)

This criterion applies only to those schools provisionally sanctioned for a projected enrolment post(s) which did not reach sufficient enrolments on 30th September 2022 to retain the post. As this criterion relates to verification of actual enrolment on 30th September 2022, the Appeals Board can only consider appeals under this criterion at the October Appeals Board meeting.

Where the Board considers that, in relation to the granting of a post under the projected enrolment criterion, the projected pupil numbers required to retain the post were enrolled or are likely to be enrolled by the last day of term in December 2022, but due to circumstances outside the control of the school were not enrolled as expected on 30th September 2022, it may grant an appeal post.

A post allocated by the Board under this criterion will be sanctioned on a provisional basis subject to confirmation of the required enrolment being achieved by the last day of term in December 2022.

1. Required enrolment on 30th September 2022 for retention of projected enrolment post: _____

2. Enrolment achieved on 30th September 2022: _____

3. Why was the required enrolment as projected not achieved on 30th September 2022?

4. Provide details of the pupils expected to enrol and reason they were not enrolled in school on 30th September 2021:

5. In relation to each pupil who will be enrolled after 30th September and who are being counted as part of this appeal, the documents at (a) and (b) below must be provided:

(a) A letter from the parents / enrolment form stating the expecting date of enrolment of the pupil(s).

and

(b) A letter from the school(s) where the pupil(s) was previously enrolled in on 30th September 2022 verifying that he/she is not required to be counted as part of the school's valid enrolment for the appointment or retention of a teacher. For staffing purposes a pupil can be included in the enrolment of just one school in any school year. The Appeals Board will consider allowing the pupil to be counted as part of the enrolment for staffing purposes in the school to which s/he transferred.

or

A letter from each child's parent/guardian stating that the child was not enrolled in any other school on 30th September 2022.
