The Department of Education and Skills will treat all personal data you provide on this form as confidential and will use it solely for the purpose intended. The information will only be disclosed as permitted by law or for the purposes listed in the Departments registration with the Data Protection Commissioner - REF 10764/A

## **Travel Pass Scheme: Conditions**

1. The applicant must be employed in a Permanent, Contract of Indefinite Duration (C.I.D), fixed term, or Regular Part Time capacity at the date of application. The employment must be capable of lasting until the salary sacrifice has been recouped. It is not possible for casual or non casual employees to avail of the scheme.
2. The employee must sacrifice or forego part of his/her annual basic salary in lieu of the provision of the annual travel pass by the Department. This arrangement will operate for a period of one year and the salary sacrifice will be reflected in his/her pay slips over that period.
3. In the event of an employee changing schools (but still being paid directly by the Department of Education and Skills, the travel pass will transfer with the employee. In doing so, there will be no change to the terms and conditions of the scheme. However, if an employee avails of unpaid leave of absence, or ceases employment prior to the expiration of the one year period of participation in the Travel Pass Scheme, he/she must surrender his/her annual pass. The Department of Education and Skills will then seek a refund from the transport provider for the unused part of the travel pass (a refund for a travel pass issued under the scheme will only be made to the Department).

### **Important Note**

**Please note, it is not always possible to obtain this refund from the transport provider, and in such cases the employee will have to bear the full cost of the Annual Ticket. If this should occur, it will then be necessary for the Department of Education and Skills to recover the balance due from the employee. (please refer to Circular: Pay 15/2004. Policy and Procedures for dealing with Overpayment of Salary/Allowances)**

4. **The Department of Education and Skills operates this scheme for employees on the basis of an annual option. Accordingly, the employee will not be able to cancel his or her participation in the scheme prior to the expiry of the one year period.**
5. The Department will accept no liability or responsibility in the case of lost or unused travel passes or in the case of any injury which the employee may incur while using the travel pass.
6. An employee's lost travel pass may be replaced at a cost to him/her, per month remaining until the end of the year. This cost is determined by the transport provider.
7. The Department accepts no responsibility for misuse of travel passes by employees and asserts that each travel pass issued by virtue of this scheme is strictly non-transferable.
8. The scheme applies only to annual bus and rail passes issued by Iarnród Éireann, Bus Éireann, Dublin Bus, Luas, Connex and other approved transport providers. The Department of Transport, Tourism and Sport will advise on approved transport providers.
9. The salary sacrifice will have no impact on pension contributions or on pension benefits, in accordance with the rules of the relevant superannuation scheme.
10. The salary sacrifice will have no impact on allowances normally calculated as a percentage of basic pay.
11. Employees who participate in the scheme will be included for one year. A new application will be required in respect of each subsequent year of participation.
12. The Revenue Commissioners' published article on the benefit-in-kind tax exempt Travel Pass Scheme is available for reference from the Department of Public Expenditure and Reform.

13. The travel pass is issued to the applicant by registered post and the address supplied on the application form should be the address where the applicant will be, in order to accept delivery. A school address should not be used for this purpose.
