**To: The Managerial Authorities of Recognised Primary, Secondary,
Community, and Comprehensive Schools
and
The Chief Executive Officers of Vocational Education Committees**

Child Protection Procedures for Primary and Post-Primary schools

1. Purpose of this circular

The purpose of this circular is to advise school management authorities that, following consultations between the Department and organisations representing school management, parents and teachers, the Department of Children and Youth Affairs and the Health Service Executive (HSE), revised Child Protection Procedures for Primary and Post-Primary Schools have been drawn up and apply with immediate effect to all primary and post-primary schools.

2. General

The new procedures are based on the recently published *Children First – National Guidance for the Protection and Welfare of Children 2011*. They incorporate significant improvements to the previous school guidelines that are intended to better ensure consistent and uniform implementation of *Children First* across all schools. A summary of the main new elements of the procedures is set out at section 4 below.

The *Child Protection Procedures for Primary and Post-Primary Schools* are published in an on-line format which can now be accessed on the Department's website at www.education.ie > Child Protection.

3. Children First

Children First – National Guidance for the Protection and Welfare of Children 2011 was published in July 2011 and is available on the website of the Department of Children and Youth Affairs at www.dcyf.ie. A copy of *Children First* was also circulated by that Department to each school.

Schools may also wish to note for their information that the National Office for Children and Family Services of the HSE has also recently published a *Child Protection and Welfare Handbook* designed as a quick reference book to help support and standardise the work of social workers and other relevant practitioners in dealing with child protection and welfare cases. It includes information on social work procedures and practice from referral through assessment to intervention. This handbook is published on the website of the HSE at www.hse.ie.

4. Date Effective

The “*Child Protection Procedures for Primary and Post-Primary Schools* **apply with immediate effect** to both primary and post-primary schools and replace previous guidelines issued in 2001 and 2004 respectively.

It is the responsibility of each relevant school authority to now put in place the necessary arrangements to ensure compliance with the *Child Protection Procedures for Primary and Post-Primary Schools*.

5. Main new elements

The following is a summary of the main new elements of the *Child Protection Procedures for Primary and Post-Primary Schools*:

- All schools must have a child protection policy that adheres to certain key principles of best practice in child protection and welfare and all schools are required to formally adopt and implement without modification, the *Child Protection Procedures for Primary and Post-Primary Schools* as part of their overall child protection policy. A child protection policy template for use by schools for this purpose is set out at **Appendix 1**.
- All primary schools must fully implement the Stay Safe programme.
- There are improved oversight arrangements which are designed to ensure uniform and consistent implementation of Children First within the schools sector. These have been introduced to strengthen and clarify the existing oversight arrangements in schools.

For ease of reference, the key improved oversight requirements introduced are summarised below. These requirements should, however, be read within the context of the overall *Child Protection Procedures for Primary and Post-Primary Schools*. It should also be noted that this is not an exhaustive list of the oversight arrangements for schools, which are outlined in detail within the relevant sections of the procedures.

- A copy of the school’s child protection policy which includes the names of the Designated Liaison Person (DLP) and Deputy DLP shall be made available to all school personnel and the Parents’ Association and must be readily accessible to parents on request.

- The name of the DLP must be displayed in a prominent position near the main entrance to the school.
- In addition to informing the school authority of those cases where a report involving a child in the school has been submitted to the HSE, the DLP shall also inform the school authority of cases where the DLP sought advice from the HSE and as a result of this advice, no report was made. At each Board of Management meeting the principal's report shall include the number of all such cases and this shall be recorded in the minutes of the board meeting.
- Each school must undertake an annual review of its child protection policy and its implementation by the school. A checklist to be used in undertaking the review is included at Appendix 2. The school must put in place an action plan to address any areas for improvement identified by the review. The Board of Management shall make arrangements to inform school personnel that the review has been undertaken. Written notification, that the review has been undertaken shall be provided to the Parents' Association (or where none exists directly to parents). A record of the review and its outcome shall be made available, if requested, to the patron and the Department.

Any queries relating to this circular or *Child Protection Procedures for Primary and Post-Primary Schools* should be raised in the first instance with the Designated Liaison Person or Board of Management of the school as appropriate.

General queries in relation to this circular should be e-mailed to the Department at: schoolgovernance@education.gov.ie

7. Dissemination of circular

A copy of this circular should be provided to members of the Board of Management and all school personnel. A copy should also be provided to the Parents' Association. This circular may be accessed on the Department of Education and Skills website at www.education.ie. An Irish version of this circular is also available on the Department's website.
